SAVE OUTDOOR SCULPTURE! CONSERVATION TREATMENT NOTIFICATION REPORT

Through *Save Outdoor Sculpture! (SOS!)*, a joint project of Heritage Preservation and the Smithsonian American Art Museum, nearly 32,000 outdoor sculptures were surveyed and condition assessments performed. SOS! data is now online as part of the Smithsonian American Art Museum's national Inventories of American Painting Sculpture database (<http://www.americanart.si.edu/research/programs/inventory/>). You can help us keep information current. As owner, administrator, or conservator, use this form to notify us whenever conservation treatment (not routine maintenance) has been performed on an outdoor sculpture in your care. Use this form in lieu of sending us copies of professional assessments or full treatment reports.

PART I: CONSERVATION TREATMENT PERFORMED

Date(s) of Work _____
Name of Conservation Firm _____
Conservator(s) (optional) _____
Street address _____
City _____ State _____ Zip _____
Full treatment report on file with: Owner/Administrator or Conservator
or Other _____

PART II: OBJECT DATA

Inventory of American Sculpture record control number, if known _____
Artist (or Architect) _____
Foundry/Fabricator _____
Title _____
Date _____
Approx. dimensions _____
Material _____
Owner/Administrator _____
Dept/Div _____
Street address _____
City _____ State _____ Zip _____
Location of sculpture, if differs from owner address above (i.e., name of building/park/plaza)

Individual who completed this form _____ Date _____
Check affiliation [] owner/administrator [] conservator

Information from this form will be added to the online Inventory of American Sculpture database. Address completed reports and questions regarding the project to:
